200 Take Advantage of T. B. Mobile Unit Here And Get X-Ray Pictures

More than 200 Antioch residents were x-rayed for possible evidences of tuberculosis without cost by representatives of the Lake County Tuberculosis association in a mobile unit.

Monday, was devoted to the x-raying of school children who reacted positive to previous tests. Business people and factory workers took advantage of the opportunity on Tuesday to be x-rayed. Of the 200 persons 85 were children.

This is the first time that the mobile unit has provided this service to the general public in this village. The number x-rayed is not as large as it should have been but it was considered satisfactory.

Regal China Co. brought its employees to the unit on company time, while Pickard, Burgess Battery, and Froese Sno arranged for their employees to be photographed at their leisure.

Operating the x-ray machine were Miss F. Fortuna and Miss Edna Kotelenek. Mrs. Ora Makines served as recorder.

The mobile unit was stationed at the Shell oil station at Main and Lake sts.

Those in charge of the unit expressed their appreciation for the co-operation from E. C. Jacobs, Harry Krueger and others of the Lions club in arranging for their visit and to the Shell station for the space. They said the unit will be brought back next year and they expect many more to take advantage of opportunity to be x-rayed without cost.

Heavy Rains in Area Cause Flooded Fields, Delay in New Building

Building Evidences Boom in Business in Antioch This Year

Unusually heavy rains in this area have caused fields to be flooded and the Des Plaines and Fox rivers to reach the highest stages of the year.

While the rain itself has not hindered crops, water which is standing on newly seeded lands no doubt will drown out some of it.

Because of the early season much corn land has already been prepared but planting will not start for a week or two.

A frost last week was heavy enough to kill tomato plants but it didn't do much damage to fruit.

Lakes are at their highest for the season.

Work on the new fire house was stopped because of wet weather. Water was pumped out of the excavation over the weekend only to fill again Monday.

The low ground of what used to be known as the Wilton place back of the telephone office on Victoria st., is flooded to a point that it extends into the back yards of several residential properties. It is believed that a tile drain to Antioch lake has become clogged. At one time the place was marsh land.

High Schools Consider Pooling Information on Year Book Publishing

Representatives of the high schools in the Northwest conference of which Antioch Township High school is a member met at Elia Township High school yesterday and among matters discussed gave attention to a proposed meeting of year book advisers next fall.

Year book costs are becoming exorbitant, high school principals said, and it is believed that by pooling information, costs next year may be cut. Where in former years the books cost \$600 they now cost \$1,500.

Drunken Man Starts Vice Crusade Here, Fined \$25

Arrested here last week on a charge of disorderly conduct, Raymond Lackowski, 511 Newell ave., Chicago, paid a fine of \$25 and costs in the court of Justice of the Peace Ray J. Reardon in Waukegan Saturday.

With a few drinks under his belt, Lackowski started out on a one-man crusade to rid the community of what he thought was gambling and vice.

Senior Class Play Tonight and Friday Night Promises To Have Large Attendance

The curtain will rise at 8 o'clock this evening on the first night's performance of "Cracked Nuts" given by the senior class of the Antioch Township High school.

Miss Jeanette Darrough, director, says the play should be the best given here under her supervision owing to the previous year's experience of members of the cast.

The play is a three-act comedy with the setting in a living room of a residence in a middlewestern college town.

Music will be furnished by the Sequoia Music Makers, under the direction of Hans von Holwede.

Large attendance is predicted for tonight and tomorrow night both.

Miss West Continues Camp Lake School Despite Closing Order

Says Welfare Department No Authority Over Her Private School

Contending that the Kenosha County welfare department has no legal authority to act in the case of a private school, Miss Edna West announced yesterday that she will continue her school for backward children at Camp Lake, Wis., in defiance of its order to close it.

The school was moved to Camp Lake from one mile west of Antioch last December.

Ten days ago the child welfare department of Kenosha county served notice that the school must be closed by May 15.

"The welfare department has no authority over my school," said Miss West, who said she had received approval of the Wisconsin Industrial commission when she submitted her plans for remodeling the resort to make it entirely suitable for the institution.

Because of a scarcity of materials the remodeling has not been completed.

Miss West said that she now has 56 children under her care. She said that the action of the Kenosha county authorities stemmed from a petition of Camp Lake residents to prevent the school being established there.

The school moved west of Antioch in 1939 and so quietly was it conducted that many persons were unaware of its presence. Not many persons knew that it had been moved to Camp Lake last year.

Welfare Director Allan Bayley in signing the order requiring the children to be moved out by Saturday, said conditions were "very bad."

Welfare officials said of the institution:

"Fire hazards are very great, equipment is entirely inadequate for the purposes of the institution, food supplies and handling facilities were found entirely insufficient, maintenance of the housing is very bad, and personnel is entirely inadequate for proper care of the children."

The order closing the school is the first ever issued by the welfare department.

The officials said Miss West moved the institution across the state line from Antioch and had not applied for a state license.

The former Illinois school teacher said she conceived her program for the rehabilitation of children unable to adjust themselves to normal public school training 21 years ago. Her first school was in Lake Forest, Ill. She claims to have rehabilitated 700 children.

Local Educators Attend Meetings Held in Chicago

Principal T. R. Birkhead attended the monthly meeting of the Northwest Conference of High schools at Elia Township High school yesterday.

Attention was given to revision of baseball schedules necessitated by bad weather. The football schedule already is prepared.

Today, he and Richard Paynic attended a meeting in Chicago arranged by the high school visitors of the University of Illinois. In the evening Principal Birkhead attended a meeting of the Tri-county school board association which was also attended by W. K. Hills and E. W. Edwards of the Antioch board.

Mr. and Mrs. Irving Elms were guests of Dr. and Mrs. George Noger at their home in Chicago Sunday.

Donald Bauer Dies This Morning in Crash on Skokie

Antioch community was shocked by the news that L. Donald Bauer, son of Mr. and Mrs. Louis Bauer of 884 Main street, Antioch, had suffered a fatal automobile accident at 2:05 a. m. today. The accident occurred near the Junction of Rt. 41 and 59-A.

He was returning to Antioch after having been in Chicago to visit his prospective bride, Miss Birdie O'Brien. General opinion of the officers who reported at the scene was that "Donny," as he was affectionately known to his many friends, had fallen asleep at the wheel. The car, which was a Chevrolet coupe, crashed head-on into the concrete abutment at the intersection of route 41 with the Chicago North Western railway underpass, in Lake Forest. Police officers of Lake Forest arrived at the scene a few moments after the crash and found him alive but unconscious. He died within a few moments of being removed from the car without regaining consciousness.

Active in all sports, he was especially well known to bowlers throughout the county, having been a member of the Antioch Servicemen's match team and had won several major tournaments during the past few years. He was a member of the baseball team of the V. F. W., and played shortstop.

Born in Waukegan on September 14, 1926, he moved to Antioch ten years ago when his father installed the Antioch recreation bowling alleys and had made his home here since. At the age of 17 he enlisted in the U. S. Navy and saw service in the Pacific on an L. C. I. Upon his release from the Navy he was employed at the R. & J. Chevrolet garage and later at the Golden Glo Dairy, where he was presently employed.

He is survived by his parents, Louis and Marcella Bauer, two sisters, Darlene and Betty Lou, and a grandmother, Mrs. Peter J. Bauer, of Waukegan. After an inquest to be held this afternoon at Wendan's Funeral home in Lake Forest, the body will be brought to The Strang Funeral Home here and will lie in state after Friday at 1 p. m. until the funeral services, which will be held on Saturday. A rosary will be held Friday evening at nine p. m. and a funeral service will also be held there on Saturday morning at 9:30 a. m., with a second service to be held at St. Peter's church at 10 a. m. with the Rev. Fr. Francis M. Flaherty in charge. Interment will be in Mt. Carmel Cemetery.

W. R. Schenning Dies of Heart Attack

Walter Ross Schenning, 59, Wilmet, Wisconsin, died suddenly of a heart attack, May 9, at his home. He was born January 27, 1889 at Silver Lake, where he made his home until eleven years ago when he moved to Wilmet.

He was a member of the Holy Name church, was owner and operator of Schenning's Lunch room at Wilmet at the time of his death.

Survivors are his wife Katherine, 5 daughters, Mrs. Percy Mizzen, Mrs. Henry Easton, both of Wilmet; Mrs. Harold Bennett of Sturtevant; Mrs. Willis Freeman, Paddock Lake and Miss Rose Schenning of Wilmet; two sons, John of Chicago and Vernon of Kenosha; two sisters Mrs. Chet Hockney of Silver Lake and Mrs. F. L. Baldwin, of Chicago and seven grand children.

Funeral services were held Wednesday from the Strang Funeral home from there to the Holy Name church at Wilmet. The Rev. Fr. H. O'Connor officiated. Interment at Holy Name cemetery, Wilmet.

Large Crowds Attend Used Car Sale at Hickory Corner

Large crowds have been attending the car auction of Kober and Usinger at Hickory Corners each week.

A garage there has been fitted up for the sales which are held every Tuesday afternoon.

Anyone may sell his car at this auction but only dealers may make purchases. Dealers come for distances of a hundred miles to buy. The auctioneer gets \$10 for a sale or \$5 if the person bids in his own car.

FOUL BALL

Wet Weather Delays Start on Scout Home; Volunteer Help Sought

Wet weather delayed the start of the new Scout home on N. Main st., this week, and it is probable that the work may not begin until next week.

Ed Vos, Emil Hallwas of Antioch Builders, Dr. D. N. Deering, H. E. Cardiff and Howard Gaston met with C. K. Anderson last Sunday and went over plans and preparations.

All contractors in the community who want to donate their time and services to the work are invited to get in contact with Gaston at the Antioch News or Dr. Deering. Already many persons have volunteered.

Fathers of Boy Scouts will be invited to help during the time of the pouring of the cement for the foundation.

Members of the committee are quite enthusiastic over prospects for a fine memorial building.

4-H Club Signs Available Now At Farm Bur. Office

In response to several requests from 4-H Club members, the Farm Bureau office has stocked a supply of beautiful green and white 4-H Club signs measuring ten by fourteen inches.

Because of a quantity purchase, these signs will be sold to all members at 25c each, which is much lower than they would cost if members purchased them individually from the manufacturer.

The background is in white enamel finish, and carries the inscription in green with the words "4-H Club Member Lives Here." A large four leaf clover in green enamel with a white "H" on each leaf is also printed on each sign.

These signs may be displayed on gates, fences, trees, or any place the member chooses. When a passerby notices one of these signs, he will know that there resides a member of the world's largest voluntary rural youth organization—a 4-H Club member.

Sequoits Win Game at Barrington 11-9 and Play Grant Tomorrow

Encouraged by their 11 to 9 victory over Barrington there last Friday the Antioch Township High school baseball team will play Grant high at Ingleside tomorrow afternoon.

On Monday the varsity will play at Waukegan and Waukegan will return here Tuesday for a game in pushing ahead the season's schedule.

At Barrington the local boys found their batting eye and garnered 13 hits, Poulos getting a triple and Crawford getting three hits in three times at bat.

Poulos pitched good ball for five innings and then gave way to Crawford who pitched himself out of several tight pinches. Barrington used three pitchers.

The Freshmen-Sophomore team played Grant here yesterday.

The Learn and Earn club of girls in Lake Villa made and presented corsages of violets to their mothers on Mother's Day.

Charles Cermak, Sr., arrived home Friday from Lakeland, Fla., where he spent the winter.

Rebekahs Invite District Assembly Here in November

Local Lodge Conducts Fine Memorial Service In Waukegan

Antioch delegates to the Rebekah district assembly No. 3 at Waukegan today will extend an invitation to the district to meet here in November.

Lakeside lodge is putting on the memorial service at today's meeting. The work is to be done by a staff of seven headed by Sophia Hennings.

The appointed district officers from Lakeside lodge are Katherine Dibble, right supporter to the vice president; Mary Ellis left supporter to the vice president; Lillian Hand, outside guardian; and Rena Clark, member of the resolutions committee.

The district meeting today held at the Masonic temple is the thirty-sixth annual session. Mrs. Stillson, vice president, will give the response to the address and talk on international Rebekah.

The unselfish fund will be presented to the president of the assembly by Maud Johnson, treasurer; Kate Dibble, noble grand; Mary Ellis, vice grand; Carolyn Horan, recording secretary; and Mary Runyard, financial secretary.

A & P Store Building Construction Started; Others Now in Progress

Delayed somewhat by bad weather, building construction in Antioch is in full progress with business structures leading.

Work was started this week on the new A & P grocery store on Lake st., by the Hugo Schmidt Construction Co., of Algonquin. The excavating was done by Walter Snyder of Lake Villa who had to tear up the sidewalk and street curbing in removing roots of trees for the foundation. Schmidt said the paving will be replaced, but pedestrians are having to take to the street in passing.

The Rosing building on Main st. is almost ready for occupancy. The place is being outfitted for the National Tea Co., food store, now situated next door.

The Lauderette, self service laundry, will open on Monday.

The A. L. Feyerabend public garage south of the post office on Main st., is at the stage where the walls are up and the roof on.

The walls are practically up for Elmer Rentner's addition to the R&J Chevrolet Sales and it is a sizeable building.

The Mapletorpes have the addition to their service station and sales room practically completed. Walls are up for Floyd Horton's repair shop on Depot st.

As soon as weather permits cement will be poured for the village's new fire station.

Freight Car Crashes

When a freight car load of clay was being reset for unloading purposes a week ago Sunday by Pickard Co. employees, it got from under their control and rolled down hill into the Antioch Lumber Co. yard and crashed into three trucks, smashing one of them badly. The Pickard Co. uses one of the lumber company sheds for storage.

Prizes for Fishing Rodeo Given by Local Residents Will Be Displayed Here

A final appeal to resort owners and other business interests was made this week by the Antioch Lions Club for prizes to be awarded in this area for the Illinois Fishing Rodeo, to open officially June 15, under the sponsorship of the State Department of Conservation.

Many of the awards contributed by Antioch organizations and individuals will be on display next week in Antioch, it was announced by William E. Brook, vice president of the Antioch State Bank and chairman of the contest committee.

Keen competition from residents of Fox Lake was reported by Mr. Brook, who stated however, that indications are that the celebration here will outshine the one to be staged by our neighboring communities.

Release of the prize fish in the northern end of the Fox Chain on June 13 will be accompanied by impressive ceremonies, including probably a parade to the waterfronts, where decorated barges will form a procession through Grass, Bluff, Petite and Channel Lakes and Lakes Marie and Catherine. Similar celebrations are planned at a number of "inland" lakes of the region not a definite part of the Fox Chain.

Members of Mr. Brook's committee include Dr. D. N. Deering, Howard Gaston, R. G. Holtz, James Kopriva, Lewis Pregoner, Jim McMillen, Art Trieger, William Marks, Louis J. Nielsen, Ed J. Kidera, George Wagner, Harry J. Krueger, Danny Boyer and Edmund Vos. President Edward C. Jacobs of the Antioch Lions Club is co-chairman of the contest committee.

Among the hundreds of prizes already donated in the fishing rodeo are two boats, three outboard motors, various articles of outdoors wearing apparel, dozens of rods, reels and other items of fishing equipment, and scores of lines and lures of every description.

For every prize contributed a game fish—black bass, northern or walleye pike, crappie or bluegill—will be tagged harmlessly in the gill by trained state fisheries officials. Each tag will bear a number and each number will entitle the person catching the fish so tagged to the prize listed against that number.

Size will not count. Thus a boy or girl may catch a tagged bluegill and win any one of the big prizes.

All persons are eligible to enter the contest with the exception of Conservation Department employees and their families.

Antioch News readers wishing to donate prizes should contact Mr. Brook at the Antioch State Bank immediately.

Carrier Pigeon Downed Here Sunday by Storm

Driven from its course by a storm, a carrier pigeon believed to be on flight to Kenosha, Wis., was forced down here Sunday evening and took refuge at the high school. It is said that of 100 homing pigeons started on the flight to Kenosha only seven arrived safely. Two landed at North Chicago and others are said to have alighted in various parts of the county.

Five Antioch Vo-Ag Boys Take Part in Dairy Cattle Judging Contest at Cary

Five vo-ag students of the Antioch Township High school took part in the dairy cattle judging contest at the Curtiss Candy Co. farm at Cary, Ill., Tuesday.

They judged eight rings and the results are to be announced later. Those participating were Warren Wells, Logan Lundgren, Noel Elfering, Jack Chope and George Swenson.

C. L. Kutil, their teacher, accompanied them.

Announce Prize Winners

Floyd Hutchings of Mundelein, a member of the Lake Zurich Senior 4-H club and Orpha Crook, Round Lake, member of the Volo Busy Bees 4-H club were both awarded a \$25 bond for the first places in Lake county's 1947 Better Methods contest. Ten others were awarded blue ribbons for their offerings in the contest. None was from this area. The prizes are awarded by the Public Service Co., of Illinois.

The Grade school Parent Teachers Association will hold their last meeting of the year Monday evening at 8 o'clock. Election of officers for the ensuing year will be held.

"Equally Regulated, Equally Taxed"

Testifying before a House committee, J. Carter Fort of the Association of American Railroads said that the nation's economic welfare demands the establishment of a national transportation policy that insures fair treatment for all forms of transportation so that they can compete on an equal basis. That is especially necessary now in view of the dangerously inadequate earnings of the railroads and the increasing intensity of competition in transportation.

Our present transportation policy was written long ago, when the railroads were the only important form of commercial transportation within the country. In the ensuing decades the changes have been revolutionary. We have seen the government subsidize the railroads' competitors to the tune of billions. We have seen the creation of an inequitable system whereby most carriers are regulated by one agency, while one of their principle competitors, the air lines, is regulated by an entirely independent agency which is free to follow opposed policies. We have made little progress toward a policy which would permit coordination of all forms of transportation, and equal opportunity under the same laws and regulatory commissions for all to produce the most efficient and economical service for the shippers and travelers of the country.

Some years ago, when President Truman was a Senator, he said that "every kind of transportation should be treated alike by government, equally regulated, equally taxed." The need for that kind of a policy is more urgent than ever.

Union Responsibility

There is one statement in Judge Goldsborough's decision on the government's case against John L. Lewis and the United Mine Workers which goes to the heart of the controversy. He said that a union must be held responsible for the acts of its members. He added that it was "ridiculous" to argue that hundreds of thousands of men would walk out of their own volition simultaneously.

It is clear that the law is not yet capable of

dealing effectively and swiftly with iron-clad labor monopolies. It is clear that some labor leaders are convinced that they are bigger than the government of the United States. And there is every reason to believe that attitude will prevail again in the future.

The first step must be to bring labor monopolies within immediate reach of the anti-trust statutes. There can be no excuse whatever for continuing to exempt them from the same laws that protect the people against abuses of power by industry. This view has been taken by Senator Ball, among others, who recently wrote that the "traditional American approach is to break up the concentrations of power by approaches similar to the Sherman antitrust acts. In other words, to make industry-wide agreements and strikes or lockouts subject to the antitrust laws." That was done in the House version of the Taft-Hartley Act, but it lost out by a single vote in the Senate.

In any event, the power of a man, a group of men, or an organization to defy this nation cannot be countenanced.

Clean-Up Time

The spring and early community clean-up is one of the oldest and most valuable of American institutions. It makes for attractive homes and towns. According to medical men, it helps fight disease, by getting rid of germ-filled refuse. And it is absolutely essential to fire prevention.

Many fire departments have on hand self-inspection guides prepared by the National Board of Fire Underwriters. The advice given is simple—and it is also vital to domestic and industrial safety. All rubbish in and out of buildings should be gathered up and disposed of. Heating equipment of all kinds should be inspected by experts in order to ready it for hard use next winter, and needed repairs should be made at once. Electric cords, lamps and appliances should also be checked for possible dangers. Flammables, such as paint and cleaning liquids, should be carefully stored, and rags which are used with them should be kept only in closed metal containers.

Careful clean-ups were never more needed than now. Last March alone, fire destroyed over \$74,000,000 worth of property—a jump of about 2.5 per cent over the same month a year ago. Unless it is checked, a new high record of waste will again be established this year. Those dollars are represented by lost housing, buildings, food, raw materials, manufactured goods, and everything else that can burn. And along with property, fire takes more than 10,000 lives annually. The spring clean-up can be one of fire's most effective enemies.

LAKE VILLA

The Official Board of the Community church which was supposed to have met last Friday evening held the meeting on Friday evening this week with Mr. and Mrs. Cribb.

Mr. and Mrs. Somers of the Villa Woods subdivision visited their daughter and family at Freeport this week in celebration of their golden wedding anniversary. Their son, who has been in Brazil for some time, has returned to the United States, and he is very ill at a hospital in Boston.

Charles Hucker (Fibber) celebrated his ninth birthday at a party at his home last Saturday afternoon. His classmates at school were guests.

Wm. Weber, Jr., (Duke), a student at Lake Forest Academy was home over Saturday and Sunday with his parents.

Mrs. Arthur Nauta and Miss Lilian Klem, of Waukegan, were guests at the Lester Hamlin home last Sunday.

Miss Georgia Reidel has severed

her connection with the Reinebach beauty shop and has a secretarial position at the Public Service Co., office here.

Mr. and Mrs. Ritzenthaler, of Prairie View, spent Sunday with their daughter, Mrs. Delbert Sherwood, and family.

The Lake Villa Community Men's club held its regular meeting at the school gym on Tuesday evening following a dinner prepared and served by the W. S. C. S., assisted by the Halcyon Club. This was Ladies Night when the wives accompanied the husbands. The men had prepared a program of music by Mrs. Timmersman and pictures showing "The Farmer's Daughter" also short comedy films.

The Woman's Society of Christian Service will meet at the church basement on Wednesday, May 19, at 10 a. m. to make articles for the summer sale set for July 7. Bring your own sandwiches and the committee will furnish coffee. Mrs. Martha Dunbar will lead in the devotionals for the day. Even though this is a very busy season, take an

afternoon or day off occasionally and you will feel better.

Due to the fact that the Girl Scout activities have been partly dropped for the summer, the raffle has been turned over to the Lake Villa "Learn and Earn" club of girls. Those who wish a refund may call Lake Villa 3722 and someone will call on you.

Donald Davis, Pfc., stationed at McCord field at Tacoma, Wash., came home last week quite unexpectedly, to spend an 18 day furlough at the home of his parents, Mr. and Mrs. Elmer Monnier. This is his first visit home since last August.

Miss Connie Canfield, of Denver, Colo., surprised her friend, Mrs. Elmer Monnier, by coming on Tuesday last week to spend a few days in Lake Villa.

Mrs. Charles Hamlin entertained the ladies of the Sewing club at a luncheon at her home Thursday afternoon last week.

Mrs. Edith Nesbitt, of Boston, is a guest of her brother, Earl Caldwell, and wife at Sand Lake for a couple of weeks while her husband is away on a business trip.

Wm. Walker was in Chicago on business last Friday.

Mr. and Mrs. Fred Bartlett were guests at a wedding reception given in honor of Mr. and Mrs. Robert Clark, formerly Lois Truax, of Millburn on Saturday, May 1st.

Mr. and Mrs. John Jay, of Chicago, Mr. and Mrs. Norman Nelson,

CALL ANTIOCH

419

We pump Septic tanks, catch basins, cisterns and industrial tanks of any size.

M. Cunningham

of Waukegan, were guests at the Fred Bartlett home Sunday afternoon.

Mrs. Helen Avery was in Chicago Monday on business.

Mr. Andrew Wolff was taken to St. Theresa hospital last Sunday following a cerebral hemorrhage. Capt. Wm. Walker, of Army Air force stationed at Shreveport, La., son's parents and other relatives. They returned Sunday evening.

of friends to spend Mother's Day at his home here, so the Everett Lucas family, of Waukegan, and the George Walkers of Libertyville, joined the rest of the family at dinner on Sunday.

Mr. and Mrs. Russell Nickerson and children drove to Galena, Ill., last Saturday to visit Mrs. Nickerson's parents and other relatives. They returned Sunday evening.

About Night Cooling...

an aid to Summer Comfort

The Public Service Company has long followed a policy of informing the public of new developments in electrical appliances for the home. In southern climates, an economical method of cooling the home at night has been used for a number of years. This method, adaptable to any apartment or house, is comparatively new to Northern Illinois. A discussion of this important step toward more comfortable year-round living in this area is timely now.

Comfort cooling, by driving out the hot stagnant air and replacing it with cool, outside night air, permits restful sleep even on the hottest nights.

Everyone remembers the periods of oppressive heat of last summer. In this area, the first hot spell can be expected any time around the first of

June, followed by heat waves at intervals until the end of September. Average temperatures for the past eight years show that Northern Illinois residents experience about two months of really hot weather every year—forty-six days with temperatures over 85°, and twenty-two days over 90°.

All day during the summer every part of a building exposed to the sun, absorbs heat. This heat is radiated through the roof and walls, raising the temperature of the air inside the building. The space below the roof frequently has a temperature of 135° on a hot summer day. The upper rooms of the building have a temperature as high as 10° above the outside temperature for as long as ten hours after sundown. To cool the home, this motionless, heated air must be removed and replaced by cooler, moving air from outdoors.

ADVANTAGES OF NIGHT COOLING

It is difficult to sleep or work when there is no movement of air to hasten evaporation of the moisture on the skin. On the other hand, it is possible to sleep restfully even on the hottest nights if air is moving freely through the bedroom window. The gently moving breeze of fresh air (produced by a night

cooling fan) rapidly absorbs heat from walls and ceiling, and evaporates moisture from the skin. In a few hours these fans can make you feel 10° to 15° cooler.

Night cooling fan installations are designed to change completely the supply of air in the home at least once every two minutes. The fan blades revolve slowly, gently circulating the air over a large area, rather than blowing in gusts and drafts. This method allows your entire living quarters to remain cooler all day.

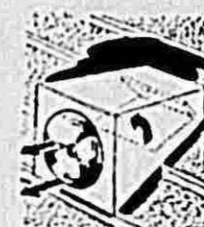

TYPES OF INSTALLATION

For those who live in rented apartments or houses, where it is not practical to install

a night cooling fan permanently, the window fan is recommended. When installed, the fan drives heated air from all rooms on the same floor and fresh, cool night air is drawn in to replace it. Easily portable, the window fan can be plugged into any wall socket.

The night cooling fan installed in the attic of single-family dwellings, circulates the air throughout an entire one or two-story house. Methods of installing this equipment have

been worked out to meet successfully almost every type of home or apartment construction.

SIMPLE LOW COST OPERATION

For greater convenience and low cost of operation, a time-switch may be installed to give you fully automatic comfort cooling.

You can cool your home all night for less than the price of an ice cream cone. The experience of many users of these fans in the South over a period of years indicates satisfaction of the highest degree.

Electric appliances have done much to make the American home more comfortable and convenient. The night cooling fan is an important advancement toward better, more pleasant living in Northern Illinois homes during the hot summer months.

MILLBURN

Rev. L. H. Messersmith's sermon topic for Sunday, May 16, will be "When Shall I Forgive." The quarterly communion service will be observed at this service.

Eighty-five representatives from the Congregational churches in Waukegan, Evanston, Grayslake and Mundelein and the Community church in Gurnee attended the Youth Rally at Millburn church Sunday afternoon and evening, May 9. Rev. Harold E. Crow, director of Religious Education for the Congregational Union was the speaker and showed slides of Camp Activities at Tower Hill. Rev. Torngy Bohlin, fellowship student from Sweden, now at the Chicago Theological Seminary, entertained with his guitar and stories of musical traditions of Sweden. Games and folk dances were in charge of Mr. and Mrs. Jerry Williams of the Seminary, who will go as missionaries to Peru, South America this summer. All enjoyed the good eats furnished by the Millburn group.

The Millburn Men's Club is to be congratulated on the fine Mother and Daughter banquet given in the church dining room Saturday evening, May 9, which was attended by 115 mothers and daughters. This affair was handled by men from start to finish with Tech. Sgt. Dick Anderson, instructor in cooking at Fort Sheridan, as chef in the kitchen assisted by 14 men of the club. Mrs. Eric Anderson was toast mistress and introduced Mrs. Verlon Groves, who gave the welcome to the daughters and Mary Schwicht, who welcomed the mothers. Mrs. E. A. Martin accompanied Mrs. Robbins, who gave two vocal num-

bers. Mrs. W. H. Miller was honored as the oldest mother present. Mrs. Emma Wells Stewart, of Waukegan, as the youngest mother, Janet Louise Wells as the youngest daughter, and Mrs. H. A. Clark as the mother with the most daughters present. Four daughters, Mrs. Walter Fountaine, Mrs. Ray Hauser, Mrs. Clayton Engh and Miss Thelma Clark were present. Entertainment was provided by Mr. Paul Harvey and Tommy Hoyer, of Waukegan, whose magical art was much appreciated.

A large crowd enjoyed the two one act plays put on by members of the Pilgrim Fellowship Friday evening.

Rev. Messersmith is showing educational sound pictures in eight schools this week.

Millburn Unit of Home Bureau will meet at the home of Mrs. J. S. Denman Friday, May 21, at 1:30 o'clock with Mrs. Eric Anderson as co-hostess.

Mrs. Robert Denman was honored at a stork shower given by Mrs. George DeYoung at her home Monday evening, with twenty relatives and friends present.

Mrs. Mina Gilbert, of Waukegan, is visiting at the home of her daughter, Mrs. Horace Culver.

Mr. and Mrs. W. M. Bonner, of Grand Ave., were dinner guests at the home of their aunt, Mrs. Laura Corris in Russell Sunday.

Mr. and Mrs. Tom Cosgrove, of Chicago, and Mr. and Mrs. Oscar Neahous spent Sunday at the Gus Christiansen home at Union Grove.

Mr. and Mrs. Roy Bonner and children were dinner guests at the A. N. Truax home at Elkhorn Sunday.

Mr. and Mrs. John Edwards and family and Miss Marian Edwards

of Libertyville, spent Sunday afternoon at the Frank Edwards home.

Mrs. Louise Stewart of Morgan Park, Chicago, is a guest at the home of her cousin, Miss Vivien Bonner.

George Herroux, of Maywood, spent Friday at the Webb Edwards home.

Mrs. Victor Strang, of DeWoody Road, Waukegan, and Mr. and Mrs. Lloyd Strang and daughter, were callers at the Leslie Bonner home Tuesday. Lloyd's friends will be interested to hear, he is now playing with Sammy Kay's orchestra.

Mrs. Elsa Lotz, of Chicago, is staying at the home of her daughter, Mrs. Herbert Messner, while the latter is convalescing after surgery at the American hospital in Chicago.

Guests for supper at the J. S. Denman home on Mother's Day were Mr. and Mrs. Earl Kane, Jr., and family, of Diamond Lake, Mr. and Mrs. Frank DeYoung, of Libertyville, Mr. and Mrs. Kenneth Denman and sons, Mr. and Mrs. Robert Denman and Milton Bauman.

Mr. and Mrs. O. L. Hollenbeck, Mort Savage, Mrs. Myrtle Savage,

and Miss Josie Mann attended a birthday party for Mrs. Hart Webb in Kenosha last Monday.

Mrs. Eva Ailing, of Waukegan, was a caller at the Frank Edwards home Thursday evening.

Guests for dinner at the Howard Bonner home Sunday were Mr. and Mrs. Russell Doolittle, of Antioch, Mrs. Anna Bauman and son, Milton, Miss Vivien Bonner and Mr. and Mrs. Gordon Bonner.

Rev. Messersmith, Mrs. Harley Clark and Mrs. Carl Anderson attended the annual State Conference of Congregational Christian churches in Rockford Wednesday.

A large crowd enjoyed the annual spring musical "At the Fiesta" under the direction of the music teacher Miss Mary Tiffany.

WHEN did you last look at your battery?

EXPERIENCE has shown that, for best results, you should have the electrical system of your car checked at least every three months. In that way you save money... avoid costly ignition troubles... keep headlights and windshield wiper operating safely and efficiently... make sure your stop light goes on every time it should.

If you're due for a check-up, try us. Our electrical wizard will test the battery and clean the cone... brighten and tighten the terminals... inspect cables for wear... check generator charging rate and starter operation... test condition of headlights, stop lights, and wiper.

Come in soon. We'd like to show you how expertly, reasonably and courteously we can do a job.

Whirlaway
WITH HYDRA-MATIC DRIVE

It's the smash hit of the year... the big success story of 1948... the car that has all America singing its praises!

Everywhere it goes, the Futuramic Oldsmobile goes over in a big way. Watch how people gather 'round to inspect that massive Futuramic front end... those flowing Futuramic fenders... that smartly tailored Futuramic interior.

Then watch the face of the lucky driver. He's got that "Futuramic Feeling." It's more than just the smoothness of a coil-cushioned ride. It's more than just the simplicity of "no-clutch, no-shift" Hydra-Matic Drive. It's even more than the breath-taking thrill of stepping down on the accelerator and feeling that surge of power as WHIRLAWAY goes into action. That "Futuramic Feeling" is a combination of all these Oldsmobile features—topped off with a goodly measure of pride at driving the best looking of all the new cars on the roads today!

SOCIETY EVENTS

Miss Seitz Becomes Bride of Mr. Hofner

Miss Mary Seitz, Wilmet Wis., daughter of Mr. and Mrs. Michael Seitz, of Wilmet, became the bride of Charles Hofner, son of Mr. and Mrs. Ben Hofner, of New Munster, Wis., at recent rites held in the Holy Name church. The Rev. Fr. H. O'Connor officiated.

The bride chose for her wedding a gown of white slipper satin, colonial style with hoop skirt, long train, the skirt trimmed with lace caught up at intervals by satin bows. Her finger tip veil was topped with a dutch style tiara, and she carried cavalier roses and hyacinths. She was given in marriage by her father.

Mrs. Norman Roberts, of Lyons, Wis., matron of honor, wore a gown of green taffeta, colonial style hoop skirt. Her bouquet was of mixed flowers lavender and yellow tones.

Miss Rose Seitz, sister of the bride and Miss Lucille Meyers, cousin of the bride served as bridesmaids and their gowns were of ruby orchid taffeta, they carried simulated ribbon baskets filled with mixed flowers.

Gerald Schaefer, New Munster served as best man, Robert Hofner, brother of the groom and Harold Richter served as ushers. Other attendants was Miss Caryl Rossmiller, niece of the groom, her gown was of green taffeta and she carried a mixed bouquet.

Mrs. Seitz attended her daughter's wedding in a suit of teal blue, while the bridegroom's mother was dressed in a black suit. Both had corsages of red roses.

A reception for two hundred and fifty guests was held in the Seitz home and a wedding dinner for immediate relatives was held at Our Country Club.

The couple left for a two weeks trip to Canada after which they will make their home at 646½ Pine Street, Burlington, Wis.

Order of Rainbow Elects Officers and Initiates Two

Officers were elected and two new members received by the Antioch Assembly of the Order of Rainbow for Girls Monday evening.

The officers are: Verna Mae Kufalk, worthy adviser; Norma Jarnig, worthy associate adviser; Johanna Cobb, Charity; June Peterson, Hope; and Betty Jean McDougall, Faith.

Verna, the worthy adviser, then appointed the rest of the staff of officers. Installation will take place Monday, May 31 at 8 p. m.

The new initiates are Joan Hughes and Natalie Schippmann. Refreshments were served by Johanna Cobb and her committee. The presence of visitors at the meeting was greatly appreciated by the girls.

FR. SAVAGE TALKS ON TRINIDAD TRIP

At a regular meeting of St. Peter's Holy Name Society, Wednesday evening, The Rev. Fr. Joseph Savage, gave an interesting talk on his trip to Trinidad and showed movies.

The next meeting of the society will be a golf tournament, to be held at the Chain O'Lakes Country Club June 16.

SPECIALIST INSTRUCTS, ENTERTAINS 10 GIRLS

Mrs. L. M. Fellows of the Gossard Co., spent Thursday, Friday and Saturday at MariAnne's Lake store. On Thursday evening ten girls from Libertyville and Antioch had dinner with her at Otto's Steak house and afterward were entertained at the Lake street store where Mrs. Fellows conducted a school of instruction, showing all new lines of modeling.

YOUNG ADULTS TO MEET SUNDAY EVE

Young adults of the Methodist Church will meet at a later hour this Sunday evening and will forego their usual buffet supper. The meeting will be held at 8:30 in the church parlors. Earlier a group of young adults is planning to attend a large rally in Evanston. The group will leave the church at 2 for the Hemingway Methodist church where Dr. Roy L. Smith, Editor of the Christian Advocate will be the principal speaker.

The meeting on Sunday evening will continue its discussion of Emory Reeves book, "The Anatomy of Peace." The leaders will be Mr. and Mrs. Fred Yates. Young adults are invited to attend.

Bob Morley returned to LaCrosse Tuesday after spending the past two weeks with Mrs. Morley at their home at Rock Lake and with the McMillen family in Antioch.

Mrs. Rose Darrrough, of Sheldon, Ill., is visiting her daughter, Miss Jeannette Darrrough, teacher in the Antioch High school.

Gold Star Mothers to Be Honored May 14

Gold Star members of the Antioch Unit of the American Legion Auxiliary will be especially honored at the May meeting, according to Mrs. L. R. Van Patten, Unit president. These include the mothers, wives, daughters and sisters of men and women who died in the service of their country in World War I and II. The meeting will be held May 14, at 7 p. m., in the Legion club rooms. Similar meetings honoring Gold Star members are being held by the 12,000 Units throughout the United States and possessions.

At that time a special program will be given under the auspices of Mrs. Edward Frazier, Unit Gold Star chairman and her committee. All Gold Star women are eligible for membership in the Auxiliary and invited to attend this as well as all meetings of the Auxiliary.

Final plans will also be announced at the Unit meeting by Mrs. John W. Horan, Poppy Chairman, for the annual Poppy Day, May 24th in Chicago and May 29th downtown, when these red memorial flowers, made by disabled veterans of World Wars I and II, will be sold on the streets by volunteer workers.

The annual Gold Star function is being planned for the state convention of the Auxiliary, Sept. 10-13, 1948, at the Palmer House, Chicago, when these women will also be honored, said Mrs. Van Patten.

A joint Memorial Service, honoring the war dead, will also be held during the Legion and Auxiliary state conventions in Chicago.

Miss Spengler Becomes Bride Of W. G. Ziegler

The Rev. John F. Coleman heard the nuptial vows of Miss Muriel Jean Spengler, daughter of Mr. W. J. Spengler of Lake Villa, and William J. Ziegler, son of the William G. Ziegler of Round Lake, at recent rites held in St. Bede's rectory, Fox Lake. The double ring service was used.

The bride wore a gown of marquisette and satin with finger tip veil falling from a tiara of glass roses. She carried a colonial bouquet of roses, carnation and gardenias. She was given in marriage by her father.

The matron of honor, Mrs. Steve W. Lynch, of Chicago, was dressed in a powder blue dress with a head piece of pink carnations. Frederick A. Jensen was best man.

A reception was held at the Peacock Supper club, following the ceremony. The couple left for a wedding trip to Florida and plan to be at home in Lake Villa after June 1.

The bride attended Mundelein college in Chicago and her husband went to the University of Iowa and Michigan state college. He is a member of Sigma Phi Epsilon and a captain in Army air corps officers reserve.

ANTIOCH METHODIST CHURCH SCHOOL ON WGN

The Antioch Methodist church school will have its worship service aired over Radio station WGN on July 25, according to E. G. Guillaume, Superintendent.

The service will be on the "Youth Looks Up" program conducted by Sunday school superintendent of the Air Philip Maxwell, each Sunday morning at 9 o'clock.

Superintendent Guillaume states, "I believe the 'Youth Looks Up' program is one of the finest church school programs on the air. We feel it is a privilege and an inspiration to take part in this splendid program. Our church school will be on the air from 9 to 9:30 on Sunday morning, July 25.

"This will climax a great year for the Antioch Methodist Church school. This also is an appropriate reward for our students and teachers who have worked very hard to increase our roll call 78% over a year ago."

The Chicago Tribune Radio station will record the church school service on Sunday, July 18 at the Methodist church during the regular church school period. The recordings will be aired a week later on July 25.

Chain O' Lakes post and Auxiliary of Round Lake will hold public installation at Harms hall, Round Lake, Sunday, May 16, at 3 o'clock p. m.

Lena Pendola will be installed as president. Smith-Spauld post Auxiliary of V. F. W. will assist with the installation ceremonies. Francis Ann Smale, Press and Radio chairman will be mistress of ceremonies, with Jennie Radschweit, department assistant Guard, as installing officer.

Mr. and Mrs. L. C. Ross former residents of Chicago and Venetian Village, Lake Villa, have recently purchased a home in Antioch and will be permanent residents of the village.

Dorothy Schmitz Is Recent Bride of George Paty

The marriage of Miss Dorothy Louise Schmitz daughter of Mr. and Mrs. Ted Schmitz, of Channel Lake, to Mr. George Paty, son of the Joseph Patys, also of Channel Lake, was solemnized recently at St. Peter's church, with the Rev. Fr. F. M. Flaherty officiating.

Given in marriage by her father, the bride wore a gown of Chantilly lace over white satin fashioned with sweetheart neck and long pointed sleeves and long train. Her fingertip veil was held by a crown of seed pearls and she carried orchids and white roses.

The matron of honor, Mrs. Virginia McDowell, wore a pale green taffeta gown and matching bonnet of green tulle. The bridesmaids, Mrs. T. J. Kochanski and Mrs. Bebe Furlan wore lavender gowns and carried yellow and lavender colonial bouquets.

Diane Ohmstead was flower girl and Freddie McDowell ring bearer. Theodore Schmitz, brother of the bride served as best man.

Charles Mack and M. Furlan were ushers.

A reception was held at the Channel Lake Pavilion. The couple are at home in Antioch following a wedding trip to New York.

Lakeland Players to Present Play at Great Lakes

Members of the Lakeland Players organization plan to present the play "The Whole Towns Talking," at Great Lakes Naval Training center Monday evening, May 17, for entertainment of the sailors and disabled veterans.

INTERMEDIATES ENTERTAIN MOTHERS AND FATHERS

Fifty-four parents and young people attended the Intermediate Youth Fellowship Mother's Day program in the Methodist Church last Sunday afternoon. The early part of the program included recreation and games in the basement of the church. Later twenty-two of the young people participated in the Mother's Day worship service. A tea for the parents followed, and was served in the basement of the church.

Greatest Story Ever Told
The Intermediates will hear a recording of the famous radio program, "The Greatest Story Ever Told" at their service this Sunday afternoon, starting at 3:30. Preceding this, the young people will enjoy a baseball game. The leader for the worship service will be Jimmy Quadenfeld. Jolene Gaston will lead the prayer. Young people of 6th, 7th and 8th grades are invited.

ENTERTAINED FRIENDS AT BIRTHDAY PARTY

Master Frank Walsh of Lake Catherine entertained 17 classmates of the Antioch grade school on the afternoon of Wednesday, May 5, in honor of his tenth birthday anniversary. Other guests included Marlene, Mary, Bobby and Carly Wertz. The afternoon was spent in games and a buffet supper was served.

Wesley Circles

Meeting and Luncheon Wednesday, May 19

The regular social meeting of the Woman's Society of Christian Service of the Methodist church will be held at the church Wednesday, May 19, with a luncheon at 1:30 p. m. A mother's Day program will be presented.

Mrs. Frank Rynard will lead the devotions and Mrs. L. A. Trabert will read the third part of "We the Peoples of the United Nations," and will talk on the subject, "Human Rights." Mrs. Harry Greenlee, assisted by Mrs. T. R. Birkhead will have charge of the luncheon.

ENTERTAIN EIGHTH GRADE AT SUPPER AND SKATING

Mrs. Henry Rentner, mother of Kenneth Rentner, and Mrs. Lester Osmond, mother of Joan Osmond, assisted by Mrs. Art Lubkeman, entertained the eighth grade pupils of the Antioch school at a pot luck supper after which they took the 31 pupils to Zion for a roller skating party. The supper was served at the school at 5:30 p. m.

Sectional Teachers to Meet Here This Evening

Section 2, district 1 of the Illinois State Teachers association will meet at the grade school here this evening.

Boyd Hart, assistant to County School Superintendent, W. C. Petty will be the speaker.

Mrs. Vera Ranney, teacher of the fifth grade, the sectional delegate, will make her report and there will be an election of officers.

Walgreen Agency Drug Store

ENLIST FOR A DAY

Seven years ago, come next December the, thirteen millions of our finest young men and women were called upon by a nation in peril, to defend everything that we and our forefathers have fought and died for since our first permanent settlement was established at Jamestown in 1607. These millions of men, and women, many of whom were just entering upon their civilian careers, answered the call of distress. Some three hundred thousand of them did not return. More than a million of them returned broken in body, many of them broken in spirit. It is now—today, as well as during the great conflict, that countless thousands of these veterans of our most costly war urgently need our help. They were ready when we needed them most. Today they are calling upon us to remember their sacrifices.

To serve all of those who served us so unselfishly, to alleviate their distress, to help heal their wounds, the Veterans of Foreign Wars is conducting on Saturday, May 22, its 27th annual sale of Buddy Pops, the little red flower that grows on the graves of our dead in "Lovers Fields." The Buddy Pops will be offered for sale locally by V. F. W. Post No. 4551, and its Ladies Auxiliary.

METHODIST CONFERENCE

Dr. Weldon Bradburn, District Superintendent of the Methodist church will be present at the 4th Quarterly Conference of the Antioch Methodist church Sunday afternoon at 4 o'clock. Dr. Bradburn will act as chairman of the Conference and will receive reports of the activities of the church throughout the past year. Various departments of the church will tell of their work, and Rev. Little, the minister, will give a summary of the work of the church.

Members of the Quarterly Conference, which constitutes the entire Official Board will elect church officers for the coming year. Members of the Nominating Committee of the church have completed the list of nominees to be submitted for election. Members and friends of the church are invited to the Conference.

METHODIST SUNDAY SERVICE

Rev. G. Richard Tuttle, minister of the Methodist Church will speak on the subject, "The Powerhouse of the Soul" at the morning worship service Sunday at 11 o'clock. The robed choir under the direction of Mr. Charles B. Watson will sing, "Incline Thine Ear." Mr. Fred Yates will sing the incidental solo. A nursery is maintained each Sunday morning during the worship service for parents desiring to attend the church service.

Mr. and Mrs. Xavier Schimmel and daughters, Joyce and Kathleen, of Kenosha, spent Sunday with Mr. and Mrs. L. G. Strang and Mr. and Mrs. E. O. Hawkins.

BEST BET FOR BETTER CLEANING WESTINGHOUSE Automatic

Why? Because, when it comes to really cleaning rugs and carpets, this new Westinghouse Automatic has many revolutionary features. The two-height brush roll, combined with powerful suction, restores natural brightness to your rugs and carpets and prolongs their life. There are no knobs to turn, triggers to pull or levers to push. See for yourself how the nozzle is always in perfect cleaning adjustment, regardless of rug thickness, and how easily the self-

adjusting handle works. Also see this twelve-piece Handi-Help attachment set which makes it easy to clean bare floors, Venetian blinds, lamp shades, moldings and other hard-to-get-at places. Carrying and storage kit included.

COUNTY ZONING NOTICE
TO WHOM IT MAY CONCERN:

PUBLIC NOTICE IS HEREBY GIVEN to all persons in the Town of Antioch, Lake County, Illinois, that a public hearing will be held on May 28, 1948, at 1:30 p. m., in the Village Hall, Antioch, Illinois, on a proposal to vary the terms of the Lake County Zoning Ordinance, or to reclassify by amendment thereto, from the R-4 Residential District, to a B-1 Business District, the following described real estate, to-wit:

That part of the North West quarter of the South East quarter of Section 20, Twp. 46 N., R. 10, East of the 3rd P. M., described as follows, to-wit: Beginning at a point in the center of the Fox River Road, so-called, 110 feet Southerly from the South West corner of land conveyed to John J. Boehm by Consumers Company, by Deed dated February 1, 1917 and recorded as Document 169740, in Book 210 of Deeds, page 82, running thence Easterly and parallel with Southerly line of said land deeded to said John J. Boehm, 241.8 feet to the Westerly right of way line of the Minneapolis, St. Paul and Sault Ste. Marie Railway; thence Southerly along Westerly right of way line of said railroad to the Northerly line of a certain right of way reserved in a Deed dated May 1, 1899 and recorded May 11, 1899 as Document 74299 in Book 120 of Deeds, page 569; said deed being given by Philena Warner, Executrix, to Esch Bros., and Rabe Ice Company; thence Westerly along the said Northerly line of the said right of way to the center of Fox River Road, so called; thence Northerly along the center of the Fox River

Road to the place of beginning, in Lake County, Illinois.

As a result of the petition of Fred W. Jack and Marlen Jack, which is on file and available for examination in the office of the below named Board, Court House, Waukegan, Illinois.

All persons interested may attend and be heard.

Stay on Leeward Side
The young of the white bass generally are found on the leeward side of the lake on a windy day, while older fish are almost invariably on the windward side.

Now is the Time
Now is the time to start studying seed catalogs and choosing vegetables your family likes best.

So We May Ride
During 1947 a total of 1,500 new buses, trackless trolleys and street cars were put into operation in United States cities.

Milk for Cramps
When William Shakespeare went swimming, he always drank curdled milk, in order to avoid cramps.

Most Unusual County
Boundary county, Idaho, is the only county in the United States bordered by two states and a foreign country.

Artificial Limb Aid
The average artificial limb contains at least 10 highly polished steel balls to aid free movement.

Care of Eggs
An egg should never be kept for any length of time unless it is placed with the big end up in a suitable, well-ventilated container.

Washing Utensils
Many gloves of dooskin, cape skin, suede and pigskin wash beautifully in milk soap suds and lukewarm water.

Five Cent Fare
At present only two large cities with a population of more than 250,000 — Dayton and New York City — are left with a five-cent transit fare.

Lessons for Calves
Dairymen claim that the best method of teaching calves to eat grain is to put it in front of them. It may take a month but they will learn to eat much.

Power Milking Machines
The power-operated milking machine was introduced about 1905.

Squash Lose Value
Squash lose about one-third of their carbohydrates in three months of storage and over 50 per cent when stored six months.

Roman Times Relic
Outstanding relic of Roman times in Great Britain is Hadrian's wall, built about 122 A. D. It extends on the Tyne river from Solway Firth to Wallsend.

New in Motordom
A liquid glass seal to prevent car window leaks has been developed. According to the maker, the new liquid acts as a water repellent and binder between the glass and rubber.

Two Cents for a Hen
In 1220 a hen in Paris sold for an amount equal to about two cents in American money.

Eating More Food
The average person in the United States is eating about one-sixth more food now than in 1935-39.

Disinfectant and Antiseptic
A "disinfectant" is a product that destroys disease germs or makes them harmless. An "antiseptic" is a substance that prevents development and growth of disease germs.

When Pig Is Clean
Contrary to general opinion, the pig is a clean animal if given sanitary surroundings, and sanitation is essential to good health, rapid growth and development, and profitable pig production.

Reseed Burned Forests
Cones of some species of pine trees require the heat of a forest fire to open them, releasing their seeds. Therefore vast amounts of good seed are accumulated through the years which automatically reseed burned-over areas after a forest fire causes the cones to open.

LOOK
at the
Styling...

From headlight to tail light, new Chevrolet Advance-Design trucks bring you the future's streamlined appearance in every feature of body, cab, fenders and hood!

LOOK
at the
Cab...

Only Advance-Design trucks have the famous Cab that "Breathes!"* Fresh clean, cool air is drawn in and used air forced out! Air is heated in cold weather. The Cab is Flexi-Mounted, cushioned on rubber, with a fully-adjustable seat and all-round visibility with rear corner windows.*

LOOK
at the
Prices...

Only Chevrolet offers you the lowest prices in the volume field! Here are trucks with comparable equipment and specifications that list for less than competitive makes—some models as much as \$150.

Biggest Earnings
Employing one and one-quarter million persons, the American oil industry leads the automobile, railroad, steel and electric utility industries in average hourly earnings of its employees.

Hickory Still Favorite
Hickory, hard maple, apple and many other hardwoods are satisfactory for smoking meat, although hickory long has been regarded as the best.

Save Your Fats
A pound of used fats allowed to go down the drain or into garbage pails of the U. S. may mean a pound less of nourishing food fats for hungry people abroad.

Neglected His Work
William Wordsworth, who was poet laureate of England for seven years, did not write a word in connection with his official post during that time.

Uncle Sam Says

A new bonnet may get you in the Easter parade but your participation in the Payroll Savings Plan or the Bond-A-Month Plan will put you in the Security Parade. For the wage earner, payroll savings where you work enable you to acquire Savings Bonds on the partial payment plan. For the self-employed, your local bank maintains the Bond-A-Month Plan. U. S. Sugar in Corn
Plant breeders at Connecticut agricultural experiment station say they have a corn with nearly as much sugar in its stalk as sugar cane contains. The discovery was made when it was found that one of the inbreds used in corn breeding work tasted sweet.

Drive Slowly
Braking distances on snow and ice, say traffic safety experts of national conservation bureau, increase 3 to 12 times over distances required to stop on dry pavements. Use chains on your car when driving in snow or on ice-coated roads.

Heated Life Preserver
Newly patented life preserver has a chemical heater made active by introduction of water into the compound. The device may be used also in a belt for protection of the wearer from extreme cold.

Better Right Now
In 1865 Frederick Smyth, then governor of New Hampshire, stated that New England had a right to be proud of her corn crop averaging 31½ bushels to the acre. Today twice that amount is common.

Frank and Frieda Mikoleit

We can hardly believe
our Engine Ears

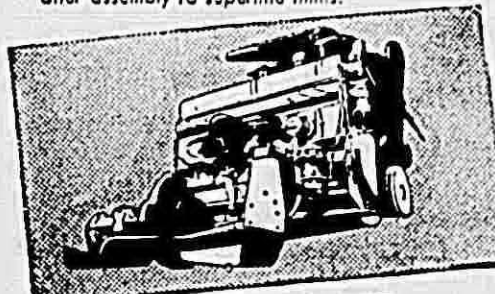

Illustrated is the Buick Super with 115 hp. Hi-Poised Fireball straight-eight. White sidewall tires, as shown, available at extra cost.

WE don't mind admitting we've been pretty proud of our big Fireball straight-eight engine.

A lot of brain-sweat went into making it lively — and as for

*Micropoise balancing is Buick's own method of scientifically balancing the complete engine after assembly to supreme limits.

SECRET OF THE
VIBRA-SHIELDED RIDE

Two fat cushions of special composition, and placed with scientific accuracy, suspend the Buick engine at the points where vibration is most readily controlled. A third new mounting of the rear completes a precise system of controlling engine vibration frequencies. The result is to shield the entire car against vibration build-up and make a noticeably smoother ride.

smoothness, we don't know of any power plant that gets the loving care lavished on this Micropoised* beauty.

So we thought we knew the song and the feel of an engine as smooth as automobile engines could be.

Then — well, then our engineers came up with Hi-Poised mountings and really opened our eyes — and ears.

At idling speed, you have to shush all conversation and cock an alert ear to make sure the engine's running.

Rolling along the road, the whisper of your tires rises higher than this smoothie's contented murmur.

More than that, you find that the whole ride seems smoother,

quieter, more restful and easy in these tidy '48 Buicks.

You soon discover that it's unnecessary to ease yourself over rough spots where ordinarily you would engage in a little extra clutch work, while many a little shudder that used to pass for clutch chatter has been wiped away.

In short, as one owner has put it, "Now it seems that Fireball power is wearing velvet gloves!"

Add all this to other things — to

steady-going size and weight, to gentle coil springing, to big, cushiony low-pressure tires on the widest rims in the industry — and you've got something too good to miss.

So we suggest — get your hands on a '48 Buick, any '48 Buick, and see just what we mean.

You'll meet a ride story so sweetly convincing, you'll want to get an order in — but quick! And you can do that, you know, with or without a car to trade.

Tune in HENRY J. TAYLOR, Mutual Network, Mondays and Fridays

BUICK alone has all these features

- * DYNAFLOW DRIVE (Optional, Roadmaster Series)
- * TAPER-THRU STYLING (Super and Roadmaster)
- * VIBRA-SHIELDED RIDE * SAFETY-RIDE RIMS
- * HI-POISED FIREBALL POWER
- * ROAD-RITE BALANCE * RIGID TORQUE-TUBE
- * QUADRIFLEX COIL SPRINGING
- * SOUND-SORBER TOP LINING (Super and Roadmaster)
- * DUOMATIC SPARK ADVANCE * FLEX-FIT OIL RINGS
- * TEN SMART MODELS * BODY BY FISHER

the weekend with Mr. and Mrs. Winn Peterson.

Mr. and Mrs. Ray Kinreed and family were Sunday dinner guests

of Mr. and Mrs. Winn Peterson.

FACT AND SCRIPTURE

Could earth swing forth, or bed by itself alone, And with no God to guide it on its way?

Without a mind, or will, yet never prone To wander from its course and go astray?

Could earth prepare itself to meet the need of man and beast, of bird and creeping thing?

With fruit and grain, and herb and growing seed, With flowing rivers and with mountain-spring?

And could the earth in labor pangs travail, Until it brought to birth a full grown man?

Endued with wondrous will, and power of mind? This could not be! Thy blasphemy doth fall:

Acknowledge God, the mighty Artisan, Divine Creator, who all things designed.

—Gems of Gold
Why do the heathen rage, and the people imagine a vain thing?

Psalm 2:1
The wicked, through the pride of his countenance, will not seek after God: "God is not in all his thoughts." Psa. 10:4

(* all his thoughts are, There is no God).

Emanuel Thiele

This Clock-Wise Junior fine woven Seersucker suit dress is a perfect example of fashion plus practicality. Two piece, with white birdseye pique trimming the jacket, punctuated with seersucker covered buttons. Blue, brown, red.

9's to 15's. One of our "Water Baby" styles because it "just loves to be washed."
